Name : Vedant Kokate
Roll No: 333027
Div : C

# E-Learning Platform

**Learning Materials**

- Videos
- Case studies
- Text-based resources
- Interactive tutorials
- Downloadable files
- Lecture notes and presentations

**Progress and Feedback**

- Progress tracking
- Instructor feedback and comments
- Personalized feedback on quizzes and assignments
- Goal setting and milestones
- Peer review and feedback options

## Interactive Learning

- Quizzes and polls
- Live webinars or virtual classrooms
- Discussion forums
- Interactive simulations and virtual labs
- Group projects and collaborations
- Peer-to-peer learning activities

## Support and Community

- Mentorship or tutoring options
- Learning community spaces
- Discussion forums or group chats for learners
- One-on-one support from instructors
- FAQs and help center
- Technical support and troubleshooting

Assessment and Certifications

Practice quizzes

Certificates of completion

Assignments and projects

Skill badges for achievements

Final exams and assessments

Detailed performance reports
